Built in the 1930's, **Sun Valley** was the US's first luxury purpose-built winter resort and popular with the stars. For a peaceful, relaxing time, it's hard to beat. The slopes of Bald Mountain are accessed from luxurious base lodge complexes. The separate Dollar Mountain has good beginner slopes with lots of runs at a consistent pitch. The mountain restaurants are way ahead of most US on-slope facilities. The town retains its old-world charm and shuttle buses link the slopes to most accommodations.
